EXPERIENCE

Splunk Inc. | Senior Web & UX Designer

April 2014 – Present | San Francisco, CA

Splunk provides the leading platform for operational intelligence. Responsible for designing everything - brand and UX related - for Splunk marketing's multiple websites. Managed junior designers, contractors, interns, and vendors. Led all design aspects of 2015 corporate website redesign, and other new marketing websites.

Bladiblah LLC | Senior Designer, Head Honcho

June 2011 – Present | San Francisco, CA

Professional *nom de plume* for personal freelance design business. Focus on UI/UX and Interactive, but also: print, web dev, and branding. Clients include local boutique agencies and exciting start-ups in the SF Bay Area, such as Analyte Health, Outright, GoDaddy, Splunk, McGraw Hill, Oracle Marketing Cloud, and more.

Outright - GoDaddy Bookkeeping | Sr. UI/UX Designer (Freelance)

October 2012 – April 2014 | Sunnyvale, CA

Outright is a small business bookkeeping app, and was acquired by GoDaddy in 2013. Ongoing contract as lead designer for all UI/UX/visual aspects of the web app, mobile apps, and marketing efforts.

Analyte Health | Visual UX Designer (Freelance)

October 2011 – July 2012 | San Francisco, CA

Analyte Health provides rapid access to medical testing and test results. Ongoing contract with AH's UX department for UI/UX and visual design of web products, mobile products, and print & online marketing projects.

Oracle Corporation | Sr. Interactive Designer

May 2008 - June 2011 | Redwood Shores, CA

Oracle is the world's largest enterprise software company. Core member of Oracle's in-house Brand & Creative Department. Responsible for all public facing online design, including: web design (UX/UI/visual), animated banners, email design, apps, and more.

DFS Galleria | Web Designer (Contract)

November 2007 – March 2008 | San Francisco, CA

DFS is the world traveler's preferred destination for luxury shopping. Led visual design & front-end development of DFS Global website, online travel guide, and email campaigns.

Freelance Designer | Print & Web

June 1999 – March 2008

A variety of design work for various start-ups, agencies, and more.

Mama's LLC | Web Designer

February 2005 – July 2006 | San Francisco, CA

ABN AMRO Trust | Web Designer

May 2002 - June 2003 | Amsterdam, Netherlands

Veracast Communications | Webcast Technician

January 2001 - February 2002 | San Francisco, CA

SKILLS & TOOLS

Design

Top-notch UX, UI, and interaction design skills for product and marketing, including: Responsive web design, mobile app design, visual design, UX strategy, icon design, art direction, graphic design, banner design, email design, campaign concepting, wire-framing, user testing, animation & motion graphics, style guide creation, print design, typography, and more.

Management

Expert in managing projects from design to implementation, including managing contractors & external vendors, collaborating with developers & dev teams (local and remote). Enjoy managing and mentoring junior designers. Self-starter, team player, excellent visual & verbal communication skills.

Software

Adobe CC, Sketch, Invision, paper and pen, etc.

Web Development

A designer with development chops, rather than a hardcore developer that dreams in code. Thorough hands-on knowledge of HTML5, CSS3, jQuery, WordPress, Bootstrap, and iOS. A good understanding of Sass, LESS, JavaScript, PHP, Android patterns, and most CMS platforms

Languages

Fluent in English and Dutch.
Semi-fluent in German.
